Report of Town Clerk

TOWN MEETING

Monday, March 1, 1920.

Charles A. Owen was elected Moderator and sworn by the Town Clerk. The Tellers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks, Charles T. Ervin, Republican; Ralph C. Gear, Democratic. Tellers, Clarence S. Lynde, George W. Newhall, Daniel W. Poor, Republican; Harry L. Doherty, Charles F. Blodgett, Patrick Halpin, Democratic. The ballots were delivered to the ballot clerks, a receipt taken for the same, the ballot box opened, examined, the dial set at 0, locked, and the keys given in charge of the Moderator; after which the polls were declared open under Article 2.

Voted, To authorize the Moderator to appoint a committee of three to nominate four members for the Finance and Advisory Board; three for three years and one for two years.

Under authority of the foregoing vote the Moderator appointed as that committee, the following: William F. Wilson, Daniel E. Quinlan, Levi W. Holden.

Voted, To authorize the Moderator to appoint a committee of three to nominate four members for the Town Planning Board for three years.

Under authority of the foregoing vote the Moderator appointed as that committee, the following: Ralph R. Patch, Ernest L. Young, Joseph A. Longmore.

Voted, That when this meeting adjourn, it be until Monday, March 15, 1920, to meet in Armory Hall, at 7.30 P. M.

Voted, That no further action be taken under this warrant except under Article 2, until the adjourned meeting March 15, 1920. The Moderator appointed as additional Tellers to assort and count the ballots the following, who were sworn by the Town Clerk: Harry A. Williams, Herbert A. Mahn, Fred E. Edmonds, Ernest S. Frazier, George E. Stackpole, Lemuel W. Standish, Republicans; James Cullen, Thomas J. McHale, James Hacking, James H. Halpin, Paul V. McHale, George E. Maguire, Democrats.

By unanimous consent of the Moderator and Town Clerk, the ballot box was opened at 3 o'clock in the afternoon and ballots taken therefrom for the purpose of counting.

The Tellers appointed to assort and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed, at which time the ballot box registered 1187 as ascertained by the Town Clerk.

The check-list at the gate had the names of 1187 persons checked as having received ballots.

The check-list at the ballot box had the names of 1187 persons checked as having voted.

The number of ballots taken from the ballot box as counted by the Moderator was 1187.

All the ballots cast having been assorted and counted, the tally sheets signed by the Tellers, and blocks of ballots sealed, the total tally sheet proved and signed in accordance with the law, declaration of the same was made as follows:—

All requirements of law having been complied with, it was voted to adjourn to meet in Armory Hall, Monday, March 15, 1920.

RECOUNT OF VOTES CAST FOR ASSESSOR MONDAY, MARCH 1, 1920, PETITION

Stoneham, Mass., March 3, 1920.

We, the subscribers, legal voters in the Town of Stoneham, have reason to believe and do believe that the records, or copy of records made by the Election Officers of such town are erroneous, in that they show Charles Thompson to have been credited with more and John L. White with less votes than were actually cast for them; and we believe that a recount of the ballots cast for assessor for three years will affect the election of the said Charles Thompson and John L. White, and we accordingly, do hereby petition for the re-opening of the envelopes containing the ballots so cast and for a recount of the same:

Joseph F. Bennett, 62 Hancock Street, Stoneham, Mass.
Louis F. Lucier, 125 Franklin Street, Stoneham, Mass.
James J. Flynn, 14 Albion Avenue, Stoneham, Mass.
Raymond O'Keefe, 13 Spring Street, Stoneham, Mass.
Frisco Janvrin, 42 Hancock Street, Stoneham, Mass.
Ovilla J. Saulnier, 8 Highland Avenue, Stoneham, Mass.
Henry L. Christie, 57 Wright Street, Stoneham, Mass.
Eugene R. Duffy, 53 Summer Street, Stoneham, Mass.
James P. Gillespie, 17 Wright Street, Stoneham, Mass.
Dana E. Batchelder, 3 Hill Court, Stoneham, Mass.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Stoneham, March 4, 1920

Personally appeared Louis F. Lucier one of the signers of the within petition and made oath that the same is true, before me.

George N. Green, Justice of the Peace.

Filed, March 4, 1920, at 4 P. M.

Attest:—George N. Green, Town Clerk.

RECOUNT

Stoneham, Mass., March 8, 1920.

To the Town Clerk, Stoneham, Mass.

Dear Sir:—On petition of Joseph F. Bennett and other, praying for a recount of the ballots cast Monday, March 1, 1920, for Charles Thompson and John L. White for Assessor for three years, after due notice to all parties interested, the Board of Registrars of Voters met in the Selectmen's Room Monday, March 8, 1920, at three o'clock in the afternoon for the purpose set forth in the petition: Charles Thompson with Willie H. White as representative were present, and John L. White was not represented; the blocks of ballots were delivered to the Board, opened and counted with the following result:—

Charles Thompson	554
John L. White	548

and the election of Charles Thompson as declared at the meeting March 1, 1920, stands.

Herbert H. Richardson,
Fred E. Kerns,
George N. Green, Town Clerk,
Registrars of Voters.

ADJOURNED TOWN MEETING

Monday, March 15, 1920.

Meeting called to order by Moderator Charles A. Owen.

Article 3. Chose Leander V. Colahan, Walter Gorham and Willie H. White Fence Viewers for the ensuing year.

Voted, That the Selectmen be authorized to appoint all other Town Officers not chosen by ballot.

Article 4. To hear reports of Town Officers and Committees and to act thereon, and to choose committees.

Edgar L. Patch presented the report of the Finance and Advisory Board as printed:

On recommendation of the committee appointed March 1, 1920, to nominate candidates for the Finance and Advisory Board, the following were chosen to serve on that board:

Linwood L. Gove, Frank B. Hamill, John B. McEchern for three years; and Lemuel W. Standish for two years.

On recommendation of the committee appointed March 1, 1920, to nominate members of the Town Planning Board for three years, the following were chosen to serve on that Board:

George William Bell, Willie H. White, Luther Hill, Rose K. Coy.

Article 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

Voted, That the recommendations of the Finance Committee, covering a total of $158,951.56 to be raised and appropriated. $10,252.00 to be appropriated from the income of the water department, $27,750.11 from surplus account, $900.00 from sewer income, and $1,666.25 from unexpended balances be adopted.

To raise and appropriate:

Article 6. To see what sum of money the town will vote to raise and appropriate for repairs and decorations of soldiers' graves for the ensuing year.

Voted, To raise and appropriate the sum of five hundred dollars for repairs and decorations of soldiers' graves the ensuing year.

Article 7. To see what sum of money the town will vote to raise and appropriate as authorized in Chapter 122, Acts of 1914, providing that cities and towns shall care for graves of soldiers and sailors.

Voted, To raise and appropriate the sum of two hundred dollars for the care of graves of soldiers and sailors.

Article 8. To see what sum of money the town will vote to raise and appropriate for the purchase of books and for the support of the Free Public Library and Reading Room for the year ensuing.

Voted, To raise and appropriate the sum of $3,900.00 for the purchase of books and for the support of the Free Public Library and Reading Room the year ensuing.

Article 9. To see in what manner the town will appropriate the money received for the licenses of dogs.

Voted, To appropriate the sum of $298.53 received from licenses of dogs in 1919, for the purchase of books for the Free Public Library and Reading Room the year ensuing.

Article 10. To see if the town will authorize its Treasurer to hire money for the use of the town under the direction of the Selectmen.

Voted, That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow from time to time in anticipation of the revenue of the financial year beginning Jan. 1, 1920, and to issue a note or notes therefor, payable in one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 11. To see if the town will vote to pay the premium on the bonds of the Town Treasurer and Tax Collector, make an appropriation for the same. or do anything in relation thereto.

Voted, To raise and appropriate the sum of $175.00 to pay the premium on the bonds of the Town Treasurer and Tax Collector for 1920.

Article 12. To see if the town will vote to raise and appropriate the sum of $2,975.59 for the purpose of continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town; and to take such action as may be necessary to conform to Chapter 381 of the Acts of 1905 and amendments thereto.

Voted, To raise and appropriate the sum of $2,975.59 for continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town the ensuing year.

Article 13. To see what sum of money the town will raise and appropriate for the purpose of continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths on private property by the town; all expenditures under this appropriation to be assessed upon owners of property benefited.

Voted, To appropriate from the moth revenue the sum of $1,100.00 and raise and appropriate the sum of $400.00 for continuing the work of destroying the eggs, pupæ and nests of the Gypsy and Brown Tail Moths on private land by the town; and all such sums so expended to be assessed upon owners of property benefited.

Article 14. To see if the town will vote to oil the streets of the town or any of them, make an appropriation for the same, or do anything in relation thereto.

Voted, To appropriate the sum of $1,100.00 from Street Oiling Revenue, and raise and appropriate the sum of $1,000.00 for oiling the following named streets and such others as may be called for, assessing abutters the sum of six cents per linear foot:

Main street, Central street, Common street, Tidd street, Maple street, from Main street to Cedar avenue; Chestnut street, from Maple street to Hersam street; Hersam street, Pleasant street, from Main street to Central street; Winter street, William street, from Pomeworth street to Main street; Lincoln street, from Marble street to Winthrop street; Franklin street, from Central Square to B. & M. R.R. Station.

Article 15. To see if the town will authorize the Selectmen to retain counsel for the year ensuing, make an appropriation for the same, or do anything in relation thereto.

Voted, To authorize the Selectmen to employ counsel and in addition to the $250.00 raised and appropriated for salary under Article 5, to raise and appropriate the sum of $2,409.23 to cover deficit and overdraft for 1919, and raise and appropriate the sum of $1,750.00 for claims and legal expenses for 1920.

Article 16. To see what action the town will take in suits for damages brought against the town, and those now pending.

Voted, That suits for damages brought against the town and those now pending, be referred to the Selectmen with full power to settle or defend.

Article 17. To see what sum of money the town will vote to raise and appropriate for the removal of ashes and garbage the ensuing year.

Voted, To raise and appropriate the sum of $2,000.00 for removal of ashes, and $475.00 for removal of garbage the ensuing year.

Article 18. To see what sum of money the town will raise and appropriate for expenses of the Board of Health for the ensuing year.

Voted, To raise and appropriate the sum of $800.00 for general expense of the Board of Health for the ensuing year.

Article 19. To see what sum of money the town will vote to raise and appropriate for the care of the Comfort Station in the Fire and Police Station the ensuing year.

Voted, To raise and appropriate the sum of $200.00 for the care of the Comfort Station for the ensuing year.

Article 20. To see if the town will vote to establish the grade of Cowdrey Street easterly to and through its intersection with Keene Street, repair the same, make an appropriation therefor, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $1,650.00 to establish the grade and repair Cowdrey Street easterly to and through its intersection with Keene Street.

Article 21. To see if the town will vote to rebuild Avon Street with gravel, from Washington Street to Myrtle Street; make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $1,650.00 for rebuilding Avon street with gravel, from Washington street to Myrtle Street.

Article 22. To see if the town will vote to macadam Pond Street from where now macadamed, southerly to Border Road; raise and appropriate money for the same by sale of bonds, notes or scrip or otherwise; pass any votes or take any action thereto.

Voted, To raise and appropriate the sum of $3,200.00 for macadamizing 1100 feet of Pond street from where now macadamized southerly to Border Roard, to be expended when the State and County each agree to assume one-third the cost.

Article 23. To see if the town will vote to macadam Spring

Street from Eustis Street westerly to the Boston & Maine Railroad crossing, raise and appropriate money therefor by sale of bonds, notes or scrip or otherwise; pass any votes or take any action relative thereto.

Voted, To raise and appropriate the sum of $4,400.00 for macadamizing Spring Street from Eustis Street westerly to the Boston & Maine Railroad crossing, to be expended when the County agrees to assume one-third the cost.

Article 24. To see if the town will vote to repair and drain East Street, from Spring Street easterly to the Wakefield-Stoneham line; make an appropriation therefor, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $1,250.00 to drain East Street and repair with macadam from Spring Street easterly to the Wakefield-Stoneham line, to be expended when the County agrees to assume one-third the cost.

Article 25. To see if the town will vote to macadam William Street from Main Street westerly to the Woburn-Stoneham line; raise and appropriate money therefor by sale of bonds, notes or scrip or otherwise; pass any votes or take any action relative thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 26. To see if the town will vote to install a hydrant on Perkins Street near the residence of John Forrest, make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $168.00 for installing a hydrant on Perkins Street near the residence of John Forrest.

Article 27. To see if the town will vote to raise and appropriate the sum of $800.00 for the purchase of a pair of horses, or do anything in relation hereto.

Voted, To raise and appropriate the sum of $800.00 for the purchase of a pair of horses.

Article 28. To see if the town will vote to raise and appropriate the sum of $3,000.00 for the maintenance of sewers for the year ensuing, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $3,000.00 for maintenance of sewers the year ensuing.

Article 29. To see if the town will vote to widen the culvert on South Marble Street and extend it three feet farther in the drain; make an appropriation for the same, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 30. To see if the town will vote to purchase an attachment for the road roller, to be used for scarifying, make an appropriation for the same, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 31. To see if the town will vote to macadam Shumway Circle from where now macadamed northerly to the Wakefield-Stoneham line; make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $650.00 to macadam Shumway Circle from where now macadamed, northerly to the Wakefield-Stoneham line.

Article 32. To see if the town will concrete the sidewalk on Rockland Street with a stone curb abutting land of Albert F. Orne, under provisions of Chapter 49, Section 43, Revised Laws; make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $105.00 to set 75 feet of stone curb abutting land of Albert F. Orne, under the provisions of Chapter 49, Section 43, Revised Laws, it being understood that the abutter repays one-half the cost.

Article 33. To see if the town will vote to concrete the sidewalk on Hancock Street abutting the land of Winthrop R. Cutts, under the provisions of Chapter 49, Section 43, of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Article 34. To see if the town will vote to concrete the sidewalk on the northerly side of Summer street from a point abutting land of Owen Keating westerly to Main street, under the provisions of Chapter 49, Section 43, of the Revised Laws, make an appropriation for the same or do anything in relation thereto.

Voted, To raise and appropriate the sum of $245.00 to concrete 425 feet of sidewalk, more or less, on Summer street from a point abutting land of Owen Keating, westerly to land of Mrs. McDonald, it being understood that the abutters pay one-half the cost, under the provisions of Chapter 49, Section 43, of the Revised Laws.

Article 35. To see if the town will vote to insure against fire all the public buildings of the town; make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $900.00 to insure

against fire the High School buildings and contents for $80,000.00 for a term of three years.

Article 36. To see if the town will vote to wire the Longfellow school building for electric lights; make an appropriation for the same, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 37. To see if the town will give the public schools the free use of Armory Hall, Mondays (except evenings) during the school year.

Voted, To give the public schools the free use of Armory Hall, Mondays (except evenings), during the school year.

Article 38. To see what sum of money the town will raise and appropriate for the expenses of the Town Planning Board.

Voted, To raise and appropriate the sum of $100.00 for expenses of the Town Planning Board the ensuing year.

Article 39. To see if the town will vote to raise and appropriate the sum of $300.00 for new shade trees the ensuing year, or do anything in relation to the same.

Voted, To raise and appropriate the sum of $300.00 for new shade trees the ensuing year.

Article 40. To see what sum of money the town will raise and appropriate for care of shade trees the ensuing year.

Voted, To raise and appropriate the sum of $200.00 for care of shade trees the ensuing year.

Article 41. To see if the town will raise and appropriate the sum of $300.00 for the care of the Pomeworth Street Playground, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $100.00 for the care of the Pomeworth Street Playground.

Article 42. To see what sum of money the town will raise and appropriate by sale of water bonds or otherwise, necessary to complete the Spring Street water main.

Voted, To appropriate from water construction account the sum of $619.76, together with the unexpended balance of $1,623.-74 to complete the Spring Street water main.

Article 43. To see if the town will vote to increase the pay of its laborers from $4.00 to $5.00 per day, or do anything in relation thereto.

Moved, To make the pay of town laborers $3.50 minimum and $4.50 maximum.

An amendment was offered to make the minimum $3.50 and the maximum $5.00.

Voted, to amend the motion as above.

The motion as amended being tried, was declared lost.

Article 44. To see if the town will vote to purchase hose for the Fire Department; make an appropriation for the same, or do anything in relation thereto.

Voted, To raise and appropriate the sum of $1,300.00 to purchase 1000 feet of 2 1-2 inch fire hose.

Article 45. To see if the town will vote to increase the pay of the call members of the Fire Department $50.00 per year, or do anything in relation thereto.

Action having been taken under Article 5, no action was taken under this article.

Article 46. To see if the town will vote to paint the wood and metal finish on the outside of the Fire and Police Station, and make an appropriation for the same.

Voted, To appropriate the unexpended balance of $150.00 and raise and appropriate the sum of $50.00 to paint the wood and metal finish on outside of Fire and Police Station.

Article 47. To see if the town will vote to locate an electric light on Spring street near Locust avenue; make an appropriation for the same, or do anything in relation thereto.

Voted, That the location of an electric light on Spring street be left with the Selectmen with full powers; any expense incurred to come from the Street Lighting appropriation.

Article 48. To see if the town will vote to accept Sections 122 to 127 inclusive of Chapter 102 of the Revised Laws, as amended by Chapter 187, Acts of 1908, An Act relative to the emission of smoke in cities and towns, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 49. To see if the town will vote to accept as a public town way the private way known as Hillside avenue, leading from High street easterly to Park avenue, as laid out by the Board of Survey; make an appropriation for the same, or do anything in relation thereto.

Voted, To accept as a public town way the private way known as Hillside avenue as laid out by the Board of Survey.

LAYOUT OF HILLSIDE AVENUE

We, the subscribers, Board of Survey of Stoneham, Mass., after giving notice and hearing on petition of William T. Mitchell, et al, as required by law, and no person appearing to object, have laid out as a public town way the following proposed street:

Beginning at a point on the easterly side of High street and the northerly side line of said proposed street, thence the line runs along the northerly side line of said proposed street, easterly nine hundred and one (901) feet more or less, to a stake in the westerly side line of Park avenue.

The southerly side line of said proposed street is parallel to and forty-five (45) feet distant from the above described line.

The above description is to conform to a plan of the same, dated February 11, 1919, which plan is to be considered a part of this layout.

No person claiming damages, none are awarded.

When this report is accepted and adopted by the town, said way is to be forever known as a public town way.

LEANDER V. COLAHAN,
GEORGE R. BARNSTEAD,
WILLIE H. WHITE,

Stoneham, Mass., August 5, 1919, Board of Survey.
Filed August 5, 1919,

Attest:—George N. Green, Town Clerk.

Voted, To raise and appropriate the sum of $500.00 to build Hillside avenue.

Article 50. To see if the town will authorize the publication of the record of service of the residents of the town, who served in the Military or Naval service of the World War; make an appropriation for the same, or do anything in relation thereto.

Voted, That the matter of the publication of the record of service of the residents of the town, who served in the Military or Naval service in the World War, be referred to a committee consisting of Mr. Frank J. Howell, Mr. Charles J. Emerson, Mr. C. Fred Buck and Mr. Frank B. Hamill, to plan form, style and character of such record and secure various bids, to be referred to the Finance and Advisory Board, who are authorized to appropriate from the Reserve Fund enough to cover expense, if it is found desirable to accept any of the bids.

Article 51. To see if the town will appoint a committee to compile a new history of Stoneham to 1925, which will be the date of the two hundredth anniversary of our town.

Voted, To authorize the moderator to appoint a committee of nine to compile a new history of Stoneham to 1925, which will be the date of the two hundredth anniversary of our town.

Under the authority of the foregoing vote, the moderator appointed as that committee the following: George A. Hinchcliffe, Edgar L. Patch, William B. Stevens, Herbert H. Richardson,

Albert F. Buck, Charles J. Emerson, Hugh Hamill, Carrie M. Urquhart, Rose K. Coy.

Article 52. To see if the town will vote to install on electric patrol system for the Police Department, make an appropriation for the same, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 53. To see if the town will extend the water main in and through Highland avenue, from the main therein, southerly for a distance of 200 feet more of less; raise and appropriate money therefor by the sale of water bonds or otherwise, pass any votes or take any action relative thereto.

Voted, To extend the water main in and through Highland avenue from the main therein, southerly for a distance of 200 feet more or less, at an estimated cost of $600.00, when the abutters execute proper bonds securing to the town 8% upon the cost.

Voted, That when construction of the water main called for under Article 53 is decided upon, all conditions having been met by the abutters, the Town Treasurer be and hereby is authorized to sell one water bond of the denomination of $1,000.00, the issue of which has been authorized by the town, and appropriate from the proceeds enough for laying the main in and through Highland avenue as voted.

Voted, To adjourn.

TOWN MEETING

Thursday, April 22, 1920.

Charles A. Owen elected Moderator and sworn in by the Town Clerk.

Article 2. To see if the town will vote to increase the pay of town laborers to $5.00 per day of eight hours, or do anything in relation to fixing wages of town laborers for the present year.

Voted, To pay town laborers $5.00 per day of 8 hours for the present fiscal year.

Article 3. To see if the town will vote to lay a 6-inch water main in and through Park street from Everett street to Marble street; raise and appropriate money therefor by sale of notes, bonds or scrip, or otherwise; pass any votes or take any action relative thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 4. To see if the town will vote to repair Summer street from Franklin street to Main street, make an appropriation for the same, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Article 5. To see if the town will vote to install a catch basin at the corner of Garfield avenue and Washington street, make an appropriation for the same, or do anything in relation thereto.

Voted, To install a catch basin at the corner of Garfield avenue and Washington street. Any expense incurred to be taken from the general appropriation for construction and repairs of Highways, Sidewalks, Catch Basins and Drains.

Article 6. To see what sum of money the town will vote to appropriate for the care of Armory Hall for the present fiscal year.

Voted, To appropriate the sum of $1,100.00 for the care of Armory Hall, for the present fiscal year.

Article 7. To see if the town will accept Chapter 240 of the Acts of 1920, An Act entitled, "An Act to permit, under public regulation and control, certain sports and games on the Lord's Day."

Voted, To accept Chapter 240 of the Acts of 1920, entitled, "An Act to permit under public regulation and control, certain sports and games on the Lord's Day."

Voting in the affirmative 119, in the negative 94.

Article 8. To see if the town will vote to appropriate the sum of $500.00 for the purpose of repairing the baseball field on the Pomeworth Street Playground, or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Voted, To adjourn.

PRESIDENTIAL PRIMARY, TUESDAY, APRIL 27, 1920

The meeting was called to order by Leander V. Colahan and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen as required by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks:—Charles T. Ervin, Republican; Ralph C. Gear, Democrat.

RESIGNATION OF WALTER C. BANCROFT

Stoneham, Mass., April 20, 1920.

To the Honorable Board of Selectmen of Stoneham.

Gentlemen:—Thanking you and the citizens of the town through you, for the honor and support you have bestowed upon me in electing me to the office of Overseer of the Poor for the last fifteen years, and now finding I am unable for several reasons to attend to the duties of an Overseer of the Poor, I tender my resignation to take effect April 30th.

W. C. BANCROFT.

Stoneham, Mass., May 11, 1920.

To the Town Clerk, Stoneham, Mass.

Dear Sir:—At a joint meeting of the Board of Selectmen and Overseers of the Poor held this day, Frank J. Howell was elected a member of the Board of Overseers to fill vacancy caused by the resignation of Walter C. Bancroft.

Yours respectfully,

WALTER GORHAM, Secretary.

STATE PRIMARY, TUESDAY, SEPTEMBER 7, 1920.

The meeting was called to order by Leander V. Colahan, Chairman of the Selectmen, and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen as required by law to serve at this meeting were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks:—Charles T. Ervin, Republican; Ralph C. Gear, Democrat.

Tellers: Republican: Clarence S. Lynde, George W. Newhall, Daniel W. Poore; Democratic: Michael J. Driscoll, Charles F. Blodgett, Patrick Halpin.

The ballots were delivered to the ballot clerks who receipted for the same, the ballot box opened, examined, the dial set at 0, locked and the keys given in charge of the chairman, after which the polls were declared open.

The chairman appointed as additional tellers to assort and count the ballots the following, who were sworn by the Town Clerk. Republican—Carl Whitehouse, C. Henry Rice, George W. Perry,

Edward Perry, John T. Colitan; Democratic—James H. Halpin, Thomas J. McHale, Andrew V. McDonnell.

The tellers were divided into groups of four, two Republicans and two Democrats in each group.

At nine o'clock, P. M. the polls were declared closed, at which time the ballot box registered 478 as ascertained by the Town Clerk. The check-lists at the gate had the names of 475 persons checked as having received ballots— Republicans, men, 334; Republicans, women, 117; Democrats, men, 20; Democrats, women, 4. The check-lists at the ballot box had the names of 475 persons checked as having voted—Republicans, men, 334; Republicans, women, 117; Democrats, men, 20; Democrats, women, 4. The number of ballots taken from the ballot box as counted by the chairman, was 475—Republican, 451; Democratic, 24.

All the ballots cast by Republicans having been assorted and counted, the blocks of ballots sealed, the tally sheets tabulated and proved, and the total tally sheet signed by the chairman, all requirements of law having been complied with, declaration of the same was made as follows:—

TOWN MEETING

Tuesday, November 7, 1920.

Meeting called to order by Leander V. Colahan, Chairman of Selectmen and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:—

Ballot Clerks: Charles T. Ervin, Republican; Ralph C. Gear, Democrat.

Tellers: Republicans—Clarence S. Lynde, George W. Newhall, Daniel W. Poore, Eva R. Barnstead, Alice F. Hacking, Florence C. Kerwin, Vivian Symmes; Democrats—Michael J. Driscoll, Charles F. Blodgett, Harry L. Doherty, Mary B. Nathansan, Alice Fedigan, Ella L. Baldwin, Nellie M. Lahan.

The ballots were delivered to the Ballot Clerks, who receipted for the same; the ballot box opened, examined, the dial set at 0, locked and the keys given in charge of the Chairman, after which the polls were declared open to receive ballots.

The Chairman appointed the following to serve as Tellers to assort and count the ballots, who were sworn by the Town Clerk: Republicans—Edward Perry, Albert G. Aldrich, Charles F. Dinsmore, T. Fred Emery, George E. Stackpole, Annie L. Mercer, Frances R. Nickerson; Democrats—George E. Maguire, John F. Bresnahan, Thomas J. McHale, Jr., James O'Loughlin, Helen L. McCormack, Rosalie A. Doherty, Mary A. Kerns.

The Tellers appointed to assort and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

By unanimous consent of the Chairman and Town Clerk, the ballot box was opened at one o'clock in the afternoon and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed, at which time the ballot box registered 2995 as ascertained by the Town Clerk.

The check-lists at the gate had the names of 2988 persons checked as having received ballots — men, 1638; women, 1350.

The check-lists at the ballot box had the names of 2988 persons checked as having voted—men 1638; women, 1350. The number of ballots taken from the ballot box as counted by the chairman, was 2988. The number of unused ballots returned to the Town Clerk was 488.

All the ballots cast having been assorted and counted, the blocks of ballots sealed, the tally sheets signed by the Tellers, tabulated, and proved, the total tally sheet signed by the Chairman, declaration of the same was made as follows:—

COMMONWEALTH OF MASSACHUSETTS

COUNTY OF MIDDLESEX

CITY OF WOBURN

In accordance with the provisions of Section 322, Chapter 835, Acts of 1913, the City Clerk of Woburn and the Town Clerks of Reading and Stoneham, being the City and Town Clerks of every city and town in Representative District number eighteen within said County, met at the City Hall Woburn, at noon on Friday, November 12th A. D. 1920, being the tenth day succeeding the day of the State Election held on Tuesday, November 2nd A. D. 1920, and then and there opened, examined and compared the copies of the records of votes cast at said election for the office of representative and determined therefrom that

Samuel W. Mendum of Woburn

and

Walter S. Parker of Reading

were elected to the office of Representative.

The following is a schedule of the names of all persons for whom votes for representatives were given in said District and the number of votes given for each person, viz:—

William J. Farrell, of Woburn	3259
George L. Flint, of Reading	2693
Samuel W. Mendum, of Woburn	6584
Walter S. Parker, of Reading	6432

In witness whereof, we the City Clerk of Woburn and the Town Clerks of Reading and Stoneham hereunto set our hands the twelfth day of November, A. D. 1920.

JAMES A. McLOUGHLIN, City Clerk, Woburn.
MILLARD F. CHARLES, Town Clerk, Reading.
GEORGE N. GREEN, Town Clerk, Stoneham.

Clerk's Office, Woburn, Mass., Nov. 12, 1920.

Received and recorded,

ATTEST:—JAMES A. McLOUGHLIN, Clerk.

THE COMMONWEALTH OF MASSACHUSETTS

COUNTY OF MIDDLESEX

At a meeting of the qualified voters of Representative District Number Eighteen, held on the second day of November instant, for the choice of Representative in the General Court, to be holden on the first Wednesday of January next.

Samuel W. Mendum of Woburn, Walter S. Parker of Reading were selected to said office.

Dated at Woburn the twelfth day of November in the year one thousand nine hundred and twenty.

JAMES A. McLOUGHLIN, City Clerk of Woburn.
MILLARD F. CHARLES, Town Clerk of Reading.
GEORGE N. GREEN, Town Clerk of Stoneham.

TOWN MEETING

Monday, November 29, 1920.

Charles A. Owen, elected Moderator, and sworn by the Town Clerk.

Article 2. To see if the town will vote to construct a sewer in and through Capen street from the Sewer in Pomeworth street, Northerly for a distance of 210 feet; raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any votes or take any action relative thereto.

Voted, To construct a sewer in and through Capen street from the sewer in Pomeworth street, northerly for a distance of 210 feet, and appropriate a sufficient sum from the sewer bond voted under article 3 for the purpose.

Article 3. To see if the town will vote to construct a sewer in and through Franklin street from the present sewer therein. westerly for a distance of 240 feet, raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any votes or take any action relative thereto.

Voted, To construct a sewer in and through Franklin street from the present sewer therein, westerly for a distance of 240 feet.

Voted, To authorize the Town Treasurer to sell one sewer bond of the denomination of $1,000.00, the issue of which has been authorized by the town, and appropriate a sufficient sum from the proceeds of such sale for the construction of the sewer in and through Franklin street.

Article 4. To see if the town will raise and appropriate by sale of water bonds or otherwise, a sufficient sum in addition to the amount appropriated at the annual meeting held Monday March 17, 1919, to construct the water main in and through Spring street; pass any votes or take any action relative thereto.

Voted, That the Town Treasurer be authorized to sell one water bond of the denomination of $1,000.00 the issue of which has been authorized by the town, and appropriate the proceeds of the sale of said bond to complete the construction of the water main in and through Spring Street as voted March 17, 1919; construction to be begun when a proper guarantee, satisfactory to the Selectmen, of eight percent per annum of the cost of construction has been given the town.

Article 5. To see if the town will authorize the Board of Selectmen to employ The Pitometer Company of New York to make a survey of the water system of the town for the purpose of detecting any and all underground leaks, and appropriate from water revenue the sum of $1,500.00 for the purpose.

Voted, To authorize the board of Selectmen to employ the Pitometer Company of New York to make a survey of the water system of the town for the purpose of detecting any and all underground leaks, and to appropriate the sum of $1,500.00 from water revenue for the purpose.

Article 6. To see if the town will vote to purchase motor equipment for the Fire Department, or do anything in relation thereto.

Voted, That the moderator appoint a committee of nine to investigate the purchase of motor equipment for the Fire Department, said committee to report at the annual meeting in March 1921.

The moderator appointed as that committee the following:

The Board of Selectmen, Board of Fire Engineers, Professor Edgar L. Patch, Linwood L. Gove and Frank J. Howell.

Article 7. To see if the town will vote to appropriate the sum of Eleven thousand four hundred and twenty-eight and 70-100 dollars for the following purposes:—

Elections, $364.73; Armory, $300.00; Schools, $6,500.00; Police, $200.00; Moth Work, private, $300.00; Highways, $700.00; Spring Street, $600.00; Pond Street, $478.62; Macadam Roads, $202.61; Cowdrey Street, $145.00; Shumway Circle, $407.39; Hillside Avenue, $9.33; Rockland Street Curb, $43.50; Franklin Street Drain, $467.62; Snow, $173.48; Hancock Street Concrete, $1.10; Vacations, $269.60; Wilson Road, $15.72; Oiling Streets, $250.00.

Voted, To appropriate the sum of Eleven thousand four hundred twenty-eight and 70-100 dollars for the following purposes: Elections, $364.73; Armory, $300.00; Schools, $6,500.00; Police, $200.00; Moth Work, private, $300.00; Highways, $700.00; Spring Street, $600.00; Pond Street, $478.62; Macadam Roads, $202.61; Cowdrey Street, $145.00; Shumway Circle, $407.39; Hillside Road,

$9.33; Rockland Street Curb, $43.50; Franklin Street Drain, $467.62; Snow, $173.48; Hancock Street Concrete, $1.10; Vacations, $269.60; Wilson Road, $15.72; Oiling Streets, $250.00.

Voted, To adjourn.

Stoneham, Mass., October 5, 1920.

To the Town Clerk,
Stoneham, Mass.

DEAR SIR:—At a meeting of the Board of Selectmen and Board of Overseers of the Poor this day, for the purpose of electing a member of the Board of Overseers to fill vacancy caused by the resignation of John G. Beede, at which all members of both boards were present, after duly organizing with Leander V. Colahan as Chairman and Walter Gorham as secretary, a ballot was taken with the following results:—

Whole number of ballots cast	5
Wilder C. Moulton had	3
Daniel E. Quinlan had	2

and Wilder C. Moulton was declared elected to fill the vacancy.

Yours respectfully,
WALTER GORHAM, Secretary.

DOGS LICENSED

Paid Town Treasurer	45.40
	$602.60

GEORGE N. GREEN, Town Clerk.

Report of Board of Selectmen

To the Citizens of Stoneham:

Your Board of Selectmen respectfully submit their report for the year 1920.

It has been our endeavor to give proper consideration to the town departments under our supervision and we feel that those entrusted with the details of routine work have rendered conscientious and efficient service.

Town finances show gratifying improvement and are now properly safeguarded. The Gettemy system of accounting, adopted in January of last year, has given very satisfactory results.

The Board recommends strict economy in all the appropriations during the coming year.

Superintendent C. J. Sweeney has continued in charge of the Public Works department and despite handicaps under which he has labored, has made a creditable showing in the highway, sewer and water departments. His salary beginning January 1, 1920, was increased to $2,000. We refer you to his detailed report submitted herewith.

The revenue from the increased water rates has insured the water department being self-sustained and at the close of the year, there remains a substantial balance to the credit of this department. By vote of the town at the recent special town meeting, the Pitometer Company has been employed to ascertain and locate leaks in the water mains, this work to be started early in the spring, as soon as weather conditions permit. It is worthy of remark in this connection that the per capita daily consumption of water in the past year or two has materially increased. Your Board recommend the expert appraisal and valuation of our entire water system. This matter has been investigated and conferences held with the Secretary of the Finance Committee. As a result, it is hoped that an appropriation will be made at the coming March meeting to enable this much needed work to be done.

During the year additional portions of Spring Street and Pond Street have been reconstructed with the assistance of the County and Commonwealth. In addition to the town's appropriations, the Commonwealth has contributed $1,067.67 and the County $2,533.34 toward these improvements. The East Street appro

priation has not been expended, as, in the opinion of the County Commissioners, a macadam road is not needed. Your Board have assurances that during the coming year, the County will assist the town in constructing a gravel road on East Street.

Serious consideration has been given to problems arising in connection with transportation. Hearings have been held on the questions of the improvement of service, fares, and extension of transfer privileges. The Public Trustees of the Eastern Massachusetts Street Railway Company have placed in operation "one-man" cars, so-called. The operation of these cars has occasioned complaint, both as regards safety and failure to maintain schedule time. The one-man cars, however, have evidently come to stay and afford a means of operating trolley lines which otherwise would be abandoned. Service on the Fells Line, except in rush hours, has been fairly satisfactory. While Stoneham is better served than many other places in this vicinity, improvement is greatly to be desired. Further co-operation between employees and patrons would tend to improve matters under existing conditions. As a result of a conference with Eastern Massachusetts Street Railway officials, the fourteen-ride ticket costing $1 remains in effect on the Fells Line. No relief has been obtained from the Boston & Maine Railroad and the infrequent train service remains. The steam railroads will not attempt to compete with the trolleys in the greater Boston district.

With one exception, damages to land owners, occasioned by the construction of the sewer in the Lincolnville district, have been settled by agreement and easements given the town and duly recorded in the Registry of Deeds. The time for seeking redress by Court proceedings against the Town has expired by limitation of statute.

The Edison Company has maintained the street lights under its continuing contract with the town during the past year and the service afforded has been satisfactory. The lighting contract remains in force until 1923.

An effort was made to secure reimbursement to the town from the Commonwealth for one-half the cost of constructing the granolithic walk on Main Street fronting the State Armory, but the bill presented the Legislature was adversely reported.

Existing vacancies in the Board of Overseers caused by the resignation of Walter C. Bancroft and John G. Beede, have been filled during the year at joint meetings of the Overseers and Selectmen, by the election of Frank J. Howell and Wilder C. Moulton.

New jitney regulations were adopted early in the year, afford-

ing additional safeguards to that part of the travelling public which uses the jitney as a means of conveyance. The jitney service between Reading and Stoneham has continued in regular operation, giving satisfactory service.

The participation of the women in State and municipal elections has increased election expenses. At the State election in November, several women served as tellers most acceptably. Armory Hall is not large enough to accommodate those now entitled to participate in town affairs and in the immediate future, the town may advantageously be divided into voting precincts. The limited form of town meeting may also become necessary.

In the early fall the local American Legion Post requested permission to hold moving picture entertainments on Sunday evenings. A petition signed by 419 residents was presented to the Board opposing the granting of a license for the purpose, and another petition signed by 632 residents was presented, favoring the granting of a permit. At a hearing given by the Board, there was considerable difference of opinion as to the advisability of allowing motion pictures on the Sabbath. Upon consideration, a majority of the Board (Mr. White dissenting) voted to grant the license asked for.

The Selectmen have been notified that the rental of the town offices will be increased January 1, 1921, to $102 a month. The facilities afforded the town are well worth this rental. In February of the present year, the rent was raised to $90.

JURORS DRAWN

During the year, the following have been drawn as jurors:—John H. Grady; Leander V. Colahan; Charles F. Blodgett; William H. Gay; William H. Lamb; Arthur N. Terry; Edward L. Clapp; Harry F. Potter; John E. Cullen; Herbert E. Plummer; Willie H. Richardson; William S. Folant; Michael H. O'Brien; Charles D. Fall; Edward Emerson; Chester F. Merrill; George H. Bumford; Winfield I. Leavitt; and James B. Lilley.

FENCE VIEWERS

During the year, your Board have had one occasion in which they were called upon to act in their capacity as fence viewers.

FINANCES

For a detailed statement, we refer you to the report of the Town Accountant, to be found elsewhere in this book.

LEGAL AFFAIRS

Herbert H. Richardson has continued to act as Town Counsel—in which capacity he has served the town continuously since 1911. He has given careful attention to all legal matters referred to him. His report follows:—

REPORT OF TOWN COUNSEL

To the Honorable Board of Selectmen:

I have the honor to submit to you my tenth annual report as Town Counsel, for the year ending December 31, 1920.

Court Cases

Town of Stoneham vs Commonwealth (Spot Pond Case)—Middlesex Superior Court; Commissioners appointed to hear and report evidence.

Knight vs Town of Stoneham—Suffolk Superior Court; action of tort, ad damnum $4,000, for alleged personal injuries sustained on Franklin street; settlement effected in the sum of $200.

Cannon vs Town of Stoneham—Middlesex Superior Court; action of tort, ad damnum $5,000; for alleged personal injuries sustained on Warren Street; pending.

Reynolds vs Town of Stoneham—Middlesex Superior Court; ad damnum $4,000; action of tort; for alleged personal injuries to person and property received on Main Street from falling limb of tree; reached for trial at November term of Court sitting at Lowell; settled by agreement of parties, in the sum of $250., town being reimbursed in full by Edison Electric Illuminating Co.

Whitney vs Town of Stoneham—Middlesex Superior Court action of tort; ad damnum $4,000; for alleged personal injuries sustained on Pleasant Street. In this case, suit was brought jointly against Town of Stoneham and W. W. Fiske & Co. Settlement was effected in the sum of $100, without costs, the town paying one-half.

Frost vs Town of Stoneham—Middlesex Superior Court, bill in equity, no report by Master.

Commonwealth vs Haley—Middlesex Superior Court. Town received $500 in settlement.

Claims Settled

Town (Poor Department) vs Estate of Elmira King—Probate Court proceedings; collection made of $123.48.

Lawrence Martin vs Town of Stoneham; land taken for Lincolnville sewer; settled and easement given town in the sum of $31.25.

Carroll vs Town of Stoneham; alleged personal injuries received on Central Street; settled and release given in the sum of $110.

Taylor vs Town of Stoneham—Alleged personal injuries received on Central Street; settled and release given in the sum of $25.

Town of Stoneham vs New England Sanatarium—Disputed water bill. Compromise effected in the sum of $2,697.54 and that amount received by the Town.

PENDING CLAIMS

Annie Doherty vs Town of Stoneham—Claim for land taken for Lincolnville sewer.

Breen vs Town of Stoneham—Claim for damages on account of land taken in relocating Pond Street.

Town of Stoneham vs Town of Winchester—Claim of town for $170, for reimbursement of land in Stoneham used for Winchester water supply.

As a result of the decision handed down by the Supreme Judicial Court, in favor of the town, in the civil action of New England Sanatarium vs Town of Stoneham, which was an action to recover taxes paid under protest, the town has already benefited to the extent of approximately $19,000.

As usual, I have been in regular attendance throughout the year at the weekly sessions of the town boards, and have rendered opinions, drawn legal documents and made collections as requested. On several occasions, at the request of your Honorable Board, I have been in attendance, at hearings before various Boards, Commissions and Legislative Committees on matters affecting the welfare of the town. To the many matters referred to me, I have given the required attention.

In conclusion, I thank your Honorable Board, and through you, the other Town Officers, for their co-operation with me.

Respectfully submitted,

HERBERT H. RICHARDSON,

Town Counsel.

FIRE DEPARTMENT

To the Honorable Board of Selectmen:

GENTLEMEN:—The Board of Engineers of the Fire Department respectfully submit the following report for the year ending Dec. 31, 1920. There have been 64 bell alarms of which 15 were false; 19 still alarms and one fire for which no alarm was given.

12,500 feet of water hose, 465 feet of ladders, and 721 gallons chemical mixture have been used at fires.

Property valued at $162,855 has been endangered by fire, on which there was insurance of $78,150. Gross loss $32,599.10. Amount awarded by adjusters $30,161.06. Net loss to owners, $2,438.04.

We wish to again call the attention of the citizens of Stoneham to the fact that this town is far behind most towns in this state which are comparable with Stoneham as to size, wealth, and fire risk, in regard to motorization of the Fire Department. And we earnestly hope that there will be a large attendance at the annual meeting in March when the committee appointed by the town on Dec. 11, 1920, to take this matter into consideration, will make their report.

We desire to thank your Honorable Board for co-operation and encouragement given us. Also the Police Department for assistance rendered. And we wish to commend the officers and members of the Fire Department for the faithful performance of their duties.

Respectfully submitted,
ALBERT J. SMITH,
JOSEPH TANSEY,
LOUIS F. BRUCE.

POLICE DEPARTMENT

To the Honorable Board of Selectmen:

GENTLEMEN:—I submit the following report of the work of the Police Department for the year ending December 31st, 1920.

The regular men of the department are Captain Sumner H. Green, Patrolmen John G. O'Brien, William A. Brooks, Dennis L. McKinnon and George E. Johnson.

Telephone Calls Answered from Station	1936
Sale and Exchange of Motor Cars Registered	198

Although the number of accidents as a result of the heavy automobile traffic in town have increased in the past year or two, it is but just to say that they are not wholly due to the drivers of automobiles, and many accidents could well have been avoided had pedestrians used proper care. It is quite remarkable that children exercise more care in crossing the street than many older people.

We have endeavored to slow down traffic in the square and along the most dangerous parts of Main Street, at intersecting streets where the view is obscured, with the force of officers available for traffic duty but it has not been found possible to fully control the situation. Now that one day off in eight has been granted, it makes it increasingly difficult to thoroughly cover the town. In my opinion, it will be necessary to appoint another officer in order to fill in the days off and during vacations.

I take this opportunity to thank your honorable Board, the officers, and citizens for their assistance and co-operation in the performance of my duty.

Respectfully submitted,
SUMNER H. GREEN,
Captain of Police and Lockup Keeper.

INSPECTOR OF BUILDINGS

Stoneham, Mass., December 31, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit report of Inspector of Buildings for the year ending December 31, 1920:

Applications for permits	73
Permits granted	72
Permits not granted	1
Dwellings for one family	10
Dwellings for two families	2
Club house	1
Garage	30
Additions and Alterations	18
Store houses	9
Stable	1
Hen house	1
Estimated cost of new work	$241,717.00

Respectfully submitted,
ALBERT J. SMITH, Inspector of Buildings.

SEALER OF WEIGHTS AND MEASURES

This department is now under the charge of Mr. J. Algernon Forbes, who succeeds Mr. George B. Williams, resigned. A detailed statement of his work during the year is presented herewith.

SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit the following report for the year ending Dec. 31, 1920.

Summary of the work:

	Adjusted	Sealed	Non-Sealed	Condemned
Platform scales over 5,000 lbs		3		
Platform scales under 5,000 lbs.	2	16		
Counter Balances		30		
Beam Scales		9		
Spring Balances	1	35		2
Computing Scales, platform	2	18	1	1
Computing Scales, hanging	1	5		
Weights Avoirdupois	32	204		
Dry Measures		3		
Liquid Measures		125		
Oil Measuring Pumps		7		3
Yard Measures		34		
Total	38	488	1	6

This has been my first year as Sealer of Weights and Measures and I have tried to give everything attention which required

it. Everyone should watch their purchases and weights especially now that prices are high, and if there is doubt in your mind about receiving correct weight or measure report it at once to the Sealer.

I take this opportunity to thank Mr. Williams for the very great assistance he has been to me during the past year. He has given freely of his time and his knowledge of this work. His advice has been invaluable to me and I greatly appreciate it.

Respectfully submitted,

J. ALGERNON FORBES,

Sealer of Weights and Measures.

PUBLIC WORKS DEPARTMENT

The detailed report submitted by Superintendent Sweeney is appended.

REPORT OF SUPERINTENDENT OF PUBLIC WORKS

To the Honorable Board of Selectmen:

I submit herewith my report as Superintendent of Public Works for the year ending December 31, 1920.

The past year, this department has been considerably handicapped by the labor situation. Not until late in the fall was there any improvement, and at that time, work was generally cleaned up and appropriations exhausted. Materials were still higher than in previous years and hard to get when wanted.

No time keeper, or office man has been employed, the Superintendent keeping time and acting as foreman on outside work. This has made it impossible to superintend all the work at all times. Items of expenditures will be found in the Town Accountant's report.

Highways, Catch Basins, Drains, etc.

In the spring, the streets were scraped, stones raked off, holes filled up and loose stones carted away. The catch basins were cleaned out two or three times during the year. Holes in the streets were filled in, loose stones raked off and carted away and as much work as possible accomplished with the money available. As in former years, a great many ruts appeared in dirt roads, caused by heavy automobile and truck traffic.

Macadam Roads

The macadam roads were treated with refined tar and covered with pea stone and sand where necessary.

Removal of Snow

During the winter, much snow fell and efforts were made to

keep the sidewalks cleared; it became impossible to do this successfully, owing to the limited number of horses and men we were able to hire.

Street Signs

Street signs were replaced and others repaired where necessary, many having been destroyed or torn down by boys.

Street Railings

Street railings were built in numerous parts of the town. On account of the high cost of labor and materials, very little work could be accomplished with the appropriation available.

Vacations

The State law provides that all persons working more than thirty-six weeks during the year shall be entitled to two weeks' vacation, and all employees entitled, were given same.

Street Oiling

The streets, as specified, were oiled with a 65 percent asphalt oil and covered with sand, making a coating over the street which prevents washing away of the surface.

Cowdrey St.

Loam and spongy material were excavated to a depth of one foot below grade and refilled with gravel. If proper grade of oil could have been obtained, an application of oil would have been made; this, however, will be done in the spring.

Avon Street

This street was also dug to a depth of one foot and refilled with gravel, and will be given an application of oil and sand as soon as weather conditions will permit.

Pond Street

Work on Pond Street was continued and carried on for a distance of 700 feet, to residence of Justin Wilson, the town, state and county each paying one-third of the expense of construction.

Spring Street

Spring Street was macadamized from where it was left unfinished in 1919, and completed to Charles Street, according to the requirements of the County. One third of the expense was borne by the county.

East Street

No work on East Street was done, as the article in the warrant called for "macadam" and there was not money enough appropriated to build a macadam road in accordance with the Coun-

ty Commissioners' layout. The County refused to pay one-third of the cost unless the town specified "gravel". Accordingly, no work was done and no money expended.

Horses

A pair of horses were purchased to take the place of the old horses. Three pairs were tried before the horses bought were accepted; they were purchased of McKenney Bros., Boston. The old horses were kept until late in the fall and then disposed of.

Shumway Circle

After starting this work, much soft and spongy material was found, making it necessary to excavate deeper and refill with stone, thus making a good macadam road, which was badly needed.

Rockland Street Curb

A curb was set on Rockland Street, in front of the residence of Albert F. Orne.

Hillside Avenue

Hillside Avenue was subgraded and filled until one foot of gravel, from High Street to residence of Mr. Stone; sidewalks built on one side to residence of Mr. Murphy. On account of exhausting the appropriation, this work was stopped. A great many large boulders were found on this street, causing much extra expense in digging them out.

Wilson and Parkway Roads

Gravel was put on each of these streets and the surface was rolled, putting them in good condition for travel.

Concrete Construction and Repairs

Bids were asked for and received for this work. Mr. T. A. Mulroney, being lowest bidder, was awarded the contract.

A concrete sidewalk was built on Hancock Street, in front of residence of C. M. Cutts, also on Summer Street, from property of James Keating to property of Mrs. J. McDonald, a distance of 400 feet. The price for this work was $1.10 per square yard.

Concrete Repairs

A thorough survey of the sidewalks was made by the Superintendent and Contractor, the worst places being repaired first. The contract price for this repair work was: one coat 60c per square yard; two coats, 70c per square yard.

Sewer Department

The main sewers were thoroughly cleaned in the spring and fall, many roots being taken from them; also, many private sewers were dug up and made free from obstructions. During the year eleven new sewer constructions were made.

A main sewer was laid in and through Capen Street, a distance of 240 feet.

A main sewer was laid in and through Franklin Street from Isabella Street, running westerly a distance of 250 feet.

Water Department

During the year, many old services were dug up and relaid. Much damage was occasioned meters last year on account of freeze-ups. During the year we have had many bad breaks in the mains, causing considerable expense and loss of water.

Several new hydrants have been installed the past year, taking the place of some that had been giving trouble on account of leaking, freezing, etc., and would have been useless in case of fire.

A new hydrant was installed on Perkins Street, near property of John Forrest.

A six inch water main was laid in the private way of Annie L. Knapp, off William Street—a distance of 180 feet.

A four inch main was laid in Vinton Court, replacing an old two-inch one, for a distance of 150 feet.

I wish to express my thanks to your Honorable Board for your consideration, advice and assistance during the year.

Respectfully yours,

CORNELIUS J. SWEENEY,
Superintendent of Public Works.

ARMORY

The Armory has been frequently let to local organizations during the year, but expenses have not been met in full. The salary of the janitor has been increased to $1400 a year. In the near future more or less repairs will have to be made to the building.

BROWN TAIL MOTHS

For the coming year, the town will be required to raise and expend the sum of $2,960.59 to carry on the work required by the Commonwealth.

LEANDER V. COLAHAN,
WALTER GORHAM,
WILLIE H. WHITE,
Selectmen of Stoneham

Report of Board of Health

To the Citizens of Stoneham:

The year 1920, with the exception of the aftermath of the Influenza of 1919 in the early Spring, has been a singularly fortunate one for the town regarding health matters. No serious outbreak of contagious disease has occurred; not so much due to the safeguarding machinery of the Board of Health, as to the fact that the people are learning better how they may take care of their health. Our agent's report shows that there were but four (4) active cases of tuberculosis reported to our board during the year. Our death rate has been 15 per thousand, largely due to old age and including deaths at the New England Sanitarium. This is a better showing than most towns and cities in our immediate vicinity, and as good as the best and most expensively equipped of them.

The board continued their campaign of Health Education begun a year ago and Sunday, December 5, 1920, Dr. George H. Wright, of Harvard Dental College, gave his lecture on "Dental Hygiene, the prevention of children's diseases through the supervised care of the mouth." The State Department of Health furnished two films, which were enjoyed by all present, "Mouth Hygiene", and the "Priceless Gift of Health". These showed the importance of medical and dental supervision, not after disease has forced itself on the young life, but before the physician is called to save it from the fatal effects of diphtheria, scarlet fever and other infectious diseases. As an incentive to personal effort, the Secretary of the Board has published Health Notes in the Stoneham Independent, almost weekly, with suggestions and warnings on the highway to public health.

The Visiting Nurse has aided health work in following up cases referred to her by the department of tuberculosis released from the State Sanitarium.

The board plans to continue the work of Health Education during the year 1921 through the eye,—and have made the arrangements with the State Department of Health to furnish films, and the Manager of the Stoneham Theatre has kindly consented to put the films on the screen with his show from time to time, free of expense to the town.

Notwithstanding the high cost of everything during the past year, and that the personnel in collecting ashes and garbage has been changed, without additional expense, better service has been rendered in the removal of ashes. In this connection it would be well to warn the citizens that now in the year 1921, is the time to buy some unimproved land for a public dump, filling the same with our refuse, and converting it into an ideal playground and pleasure resort.

The Board will ask for $100.00 to frame and revise general health regulations that are fully up-to-date.

Our efforts and the efficiency of your health department can only be kept up and improved by liberal appropriations on the part of the town, and your individual efforts and hearty co-operation.

For further details we refer you to the reports of our Agent George N. Green, Plumbing Inspector Andrew J. Burnett and our Milk Inspector Lawrence E. Doucette.

JOSEPH H. KERRIGAN, M. D.,
GEORGE A. HINCHCLIFFE,
LAWRENCE E. DOUCETTE,
Board of Health.

REPORT OF THE AGENT OF THE BOARD OF HEALTH

Stoneham, Mass., January 1, 1921.

To the Board of Health:

GENTLEMEN:—I herewith submit the following report for the year ending December 31, 1920:

Number of contagious diseases reported:		238
Anthrax	1	
Chicken Pox	4

Respectfully submitted,

GEO. N. GREEN, Agent.

MILK INSPECTOR'S REPORT

To the Board of Health:

GENTLEMEN:—I herewith submit my annual report as Milk Inspector, for the year ending Dec. 31, 1920.

The quality of milk produced and sold in Stoneham continues to be well above the standard required by law. At no time during the past year has any disease been attributed to the cause of the milk used.

The monthly analyses of milk was discontinued on account of not being able to procure a responsible Collector at a reasonable price. However, I would advise a resumption of the analyses as soon as conditions can be met.

Throughout the year a close watch has been kept on all premises where milk is handled, and violations of any rules called to the attention of the offenders.

1922		
January	3.	Schools reopen.

Report of School Committee

To the Citizens of Stoneham:

The School Department has passed a very successful year due very largely to the diligent labor and co-operation of the teachers who have faithfully performed their duties.

Some few changes in our teaching force have occurred, in most cases by offers of larger salaries from other towns and cities.

Increases in salaries have been made during the year, and at present our schedule of salaries compare very favorably with those of other towns of like size.

The expense of maintaining the department for 1920 has largely increased over that of the year 1919 due principally to the high price of fuel, supplies and increases in salaries; the price of coal alone being double that paid in 1919.

We extend our thanks to the parents, citizens and teachers who have helped make the year a success.

For further detail we refer you to the reports of the Superintendent and special teachers.

Report of Superintendent

To the School Committee of Stoneham, Massachusetts:

I herewith submit for your consideration my tenth annual report as superintendent for schools of the town of Stoneham. It is the thirtieth in the series of such reports.

During the year past we have had more than the usual number of changes. In the High School Miss Houghton and Miss Tufts resigned. Miss Fannie Davis was transferred from the Dean, and Miss Florence J. Smith was appointed as teacher of History and French. At the Washington School Miss Anna L. Childs is teaching Grade I, and Miss Grace Connor is in Grade II. Mrs. Rose K. Coy has been transferred to take the overflow of Grade VI which was placed in this school as the most accessible location. The number in the Lincoln School made it advisable to close one room, and Mrs. Sweetser was transferred to the Whittier in charge of Grades II and III. Backward children from Grades III to V were concentrated in an ungraded class at this school and Mrs. Anna S. Davis was appointed as teacher. The children are making much better progress than was possible under former conditions. The group of non-English speaking children who were over-age has been placed in this class.

Departmental work at the Dean School has been broadened to include Grades VII and VIII under one teacher in each major subject. The plan works well and its full merit will be evident in the next year. This arrangement gave the history and penmanship to Miss Nellie H. Smith who came to us from New Hampshire to take the place of Miss Fannie Davis.

Cost of Maintaining Our Schools

Our budget for 1919-1920 seemed amazingly large to many of our citizens. This was due partly to the increased cost of coal which could not be foreseen. We could get very little at the usual time and were extremely fortunate to be taken care of by one local firm. The price as all well know was steadily advanced, and the prolonged cold necessitated burning an unusual amount. It is safe to assume that the increase in this item alone was fully fifty percent greater than it would have been under normal conditions. Another source of increase was the advance in supplies.

This increase ranged from forty to eighty percent. The third and largest item is found in the increased salaries. With the constantly increasing cost of living, teachers left the profession in large numbers and salaries fell below a living wage. A flat increase of $300 granted our teachers in January, enabled us to hold our teachers until this fall term, when the demand from outside tempted some, and we lost Miss Elliott from the Washington School, Miss Hannabel from the Longfellow, and Miss Houghton, and Miss Tufts from the High. When we lost Miss Austin, who followed Miss Hannabel, after one week it became clear that a further increase must be paid. It must be remembered that in the past teachers have been under paid and the only way in which a teacher could get through the year was to live upon her parents, or seek employment during the summer in other lines. This prevented professional improvement and rest. At least two of our teachers found it was too great a strain, and the same conclusion by many resulted in a large number entering other lines of work.

Our total levy of $73,094.54 does not truthfully represent the actual expense by taxation for this year as the receipts from the General School Fund and the tuition of minor wards return to the town treasury $7,995.75. This fund was established to give larger salaries and thus attract the type of men and women whom the country needs to carry on the most important work of educating our children.

A Salary Creed

The following creed may not be applicable to private and industrial enterprises but for an undertaking like that of our Public Schools, I am sure, that justly and conscientiously observed it will give good returns. Pay a minimum salary for trained teachers without experience which shall be a living wage large enough to make the teachers independent of home, relatives, and work at summer hotels, as agents for the sale of books, etc., through vacations; a maximum salary to which all teachers in the public schools should attain in a reasonable course of time. Give a special compensation beyond the maximum for regular teachers possessing unquestioned merit in a special line of school work, unusual personality, or strength of character. Allow financial encouragement of professional improvement through prescribed work in summer school or extension courses.

Junior Red Cross

Last year the Dean and the High Schools organized Junior Red Cross Units and the material produced in the manual arts

division and by outside work was commendable both as regarded quality and amount. This year its basis of membership was changed and a service basis set. All of our schools are now organized as units and are pushing the campaign for a school nurse, and each unit has some special foreign service for which it is at work. This movement if successfully carried out should become one of the largest factors for bringing about that international brotherhood which all of us so ardently wish to see realized. The division of the national association which has started the organization of international correspondence should be highly effective in establishing friendly relations between our children and those of other nations. In a generation these friendships would in many instances develop into a broad and deep bond which would bring about an international friendship productive of great good.

Health Education

This subject should certainly receive careful attention. The examinations made by the school physician and the district nurse, the latter serving through the generosity of the Visiting Nurse Association, revealed a considerable number of undernourished children. These were furnished a milk lunch by the Red Cross for several weeks with apparent good results. There was, however, no way of checking up, and no follow-up work in the home. In all places where there has been systematic weighing of children and consequent contact with the home and definite diet treatment the results in school conditions have been marked. Our Visiting Nurse Association has been exceptionally generous in allowing its nurse to look up desperate cases, and she has responded to several calls most willingly and efficiently, but a district nurse in this town is far too busy to be able to give much assistance to the schools. With our school population of over 1,400 we surely need the full time of one school nurse.

This feature of Health Education is but one side. To bring the bodies of our weak children into good condition and to keep the strong, well bodies up to standard our children need physical training; need to be taught to play. Last Spring the questionnaire used in the Cleveland School survey was given to the pupils in our schools above the fourth grade and the results have been carefully tabulated by Miss Alice H. Smith. These, together with the data obtained by careful analysis of a set of compositions in Grades 6-8 this last month, with verbal inquiry in the lower grades, give us the facts regarding the occupation of our children on Saturdays and in leisure hours.

Measurements in Education

The use of standard scales in the various subjects for the purpose of diagnosis has been continued. This year we have added the mental tests using those drawn by Dr. Walter F. Dearborn of the Harvard Psychological Laboratory for Grades I to VI, and the Otis Tests in Grade VIII. By these tests we established a more equitable basis for grading the pupil, established the mental age, thus obtaining more justly the retardation of the pupil, enabling us to elect those pupils who need the attention which can best be given them in the special classes. With definite measures of progress teachers have a basis for consideration of the aims and purposes of the various branches and for arriving at the more definite knowledge of the success and the needs, both of the class and of individual cases.

Penmanship

The work in this subject under Miss Knightly has shown the advisability of a supervisor. The tests this year have been broadened to include legibility, and the final test is judged by the Freeman scale for slant, uniformity, and letter formation. Further requirements have been added this year in basing the pupils marks partly upon his written work in other subjects. In this reckoning the mark is based solely upon legibility and motion.

The results here given are for the tests given in January 1920 and 1921.

Grade		Speed Oct.	Jan.	Pup.	Grade by Ayres Scale 25	35	45	55	65	75	85	Med.	Normal Spd.	Qual.
VI	A	71	72	37	0	6	15	12	3	0	1	55	75	55
	B	64	82	36	1	11	9	10	4	1	0	45		
	C	75	88	30	0	3	13	12	2	0	0	45		
Quincy Sch. Bos.			61.5									40		
Prince Sch. Win.			67.5									51		
VII	A	76	84	30	0	2	3	14	4	5	2	55	85	60
	B	80	85	26	0	2	9	8	4	3	0	55		
	C	79	82	32	0	6	0	12	4	2	0	55		
Winchester			67											
VIII	A	84	92	35	0	1	7	15	7	5	0	55	95	65
	B	84	78	35	0	2	10	16	6	1	0	55		
Winchester			77											

Reading

In examining the reading the Dearborn-Westbrook scale was used. In order to make a comparison of our schools with others the papers were marked by the Division of Education of Harvard University and the results are shown in the following table.

Towns	Grade IV Quality	Rate	Grade V Quality	Rate	Grade VI Quality	Rate
Amesbury	39		43	9	46	7.8
Belmont					46	
Salem	39.5					
Winchester			45		49	8.5
Boston (John Hancock)	31.5		43		39	
Stoneham	34	9	42	9	52	
Norm of Greater Boston	34	9	44	9	47	9

From this it can be seen that compared to the schools of this vicinity which were tested by the Division, we are equal to the normal in Grade IV, a little low in Grade V, due upon investigation to one class falling to 38; and decidedly in advance in Grade VI.

The test is a decidedly novel and searching one in comprehension of the printed page and gives a fine opportunity for the teacher to study individual needs.

Arithmetic

In examining the 6th, 7th, and 8th grades in Arithmetic in the fundamental process we followed a like course, using the Dearborn-Peet graded tests and sending the papers to the Division of Education for examination. The returns tabulate as follows.

Stoneham		Addition	Subtraction	Multiplicat'n	Division
VI	A	45.5	42.0	45.0	38.0
	B	46.0	42.0	33.0	38.0
	C	45.0	43.0	38.0	38.0
	D	47.0			
Average		46.0	42.3	38.0	38.0
Norm.		45.5	41.7	45.2	38.0
VII		47.5	45.3	50.0	49.5
Norm.		51.0	51.5	49.0	51.5
VIII		54.5	49.0	58.0	53.0
Norm.		54.0	58.0	61.0	61.0

Here again we find our school ranking well in the fundamentals, except in the case of Grade VI in Multiplication where one class fell badly. This immediately called for investigation of individual scores and an analysis of the child's errors lead to a careful training upon his special needs.

This year tests upon reasoning will be given in January in the upper grades and the fundamental tests repeated.

Twenty-five Years' Service

This year completed the quarter century of service by our High School principal. The town has been most fortunate in holding such a man as Mr. Emerson, and the Alumni Association celebrated his anniversary with a banquet in Armory Hall. Miss Mary S. Bingham, a former teacher in our High School, now Master's Assistant at the Russell School, Cambridge, paid an exceptional tribute to her former principal which is given here as well worthy of a place in the records.

Mr. Toastmaster, Our Honored Friend, and Friends:—

"But time which none can bind, while flowing fast away, leaves sweet memories behind."

"Sweet memories" indeed!

My memory of the years spent in the Stoneham High School is like a garden filled with beautiful blooms. For of all the years spent in my profession,—the profession I love—the years spent here in the High School under the leadership of our friend whom we honor tonight, were the happiest; not only the happiest for me, but were years which I feel were well worth while because of the association with him. I feel that I have been a better teacher and better woman because of that association.

Fortunate were the boys and girls as well as the people of Stoneham when Mr. Emerson assumed the principalship. Quiet and unassuming but with marked dignity, he began his work. Little by little teachers and pupils began to realize that he was different from the average principal. The teachers knew that they were working with one whose ideals were high,—whose appreciation and sympathy were theirs at all times,—one who had a vision beyond the walls of the school room.

As for his work in the classroom, it soon became evident that it was quite unlike that of ordinary teachers. The seemingly dull pages were illumined with a new strange light. The beauties and wonders of earth and sky as revealed in rock and soil, sea and stream,—as revealed in the starry heavens, in the song of bird,—made geology, astronomy and natural history real living things which brought satisfaction and pleasure in knowledge of such things. If this had been all that Mr. Emerson ever had done for the boys and girls of Stoneham, their debt to him would have been far beyond what you could realize.

But to me, the work in the classroom was a very small part of what he did for his pupils. The strong personality of a true Christian gentleman,—of one whose life was devoted to the service of others,—of one "who gave and did not count the cost,—

who toiled and did not seek for rest,—who labored and did not ask for reward,"—made its impression upon boys and girls, teachers men and women,—all with whom he came in contact. He discovered the secret of being a *friend*,—"the masterpiece of nature", and that to my mind, is the reason why his influence has been so marked,— why his boys and girls have loved him,—why the Stoneham High School has so many graduates of whom we are justly proud,—proud of the men and women who have gone out into the world to take their places and follow in his footsteps.

And what greater happiness can possibly come to a person than that of knowing one has helped to make boys and girls better men and women, better citizens of this great country of ours,—of knowing one has held high "the torch that has been caught by hands that will hold it high, that Freedom's light shall never die,—that have learned the lesson that he taught."

In further token of their high esteem the Alumni presented Mr. Emerson with a silver loving cup and $550 in gold, and gave Mrs. Emerson a beautiful floral tribute.

The Parent-Teacher Association

This association has continued its activity with the most happy results. The formation of local school councils has resulted in the finest sort of co-operation between teachers and parents, and in the development of a deeper interest in the schools. The various councils have been most generous in their donations installing pictures, statuary, victrolas, and emergency kits in the schools. Several councils have also contributed generously to the support of the school fund of the Junior Red Cross and we expect to be able to start the service February 1st. I wish to express my personal appreciation of the cordial co-operation which the association has given the past year.

Vocational Work

The Evening Practical Arts School has extended its service to the women of the town by adding a class in Millinery, and an additional class in Dressmaking. The enrollment has been really beyond the limit in all classes and the attendance shows that the women are appreciative.

We have highly capable teachers this year and it is to be hoped that the work may be kept up.

Special Subjects

The special subjects have been well carried out and are on a better basis than hitherto. I append the reports of the teachers.

REPORT OF THE SUPERVISOR OF MUSIC AND PENMANSHIP

Mr. Arthur B. Webber,
Superintendent of Schools.

DEAR SIR:—I herewith present the annual statement of the music department of the Stoneham schools.

The general plan, even to my time schedule is unchanged from that of last year, except that in the fourth and fifth grades we are introducing the Progressive Music Reader, Number Two, published by the Silver Burdett Company. I visit the Dean and Longfellow buildings, twice a week, and the Lincoln, Washington and Whittier schools once a week. The High School hours are the fourth period on Monday, for the Girls' Glee Club rehearsals, and the last period on Tuesday for chorus. We are planning to give an operetta in High School this spring. As last year, the orchestra in the High School is very helpful, and the new orchestra formed in the Dean School is doing good service.

The public music work of the year has included a Girls' Glee Club Concert, an operetta and the usual music program connected with the graduations. The operetta "Cinderella in Flowerland," which was a new feature in the grades, was presented by fifty pupils who did most unusual work. I wish to thank the teachers, parents and friends for their splendid co-operation which helped to make this entertainment successful.

The Christmas programs were carried out the Friday before vacation. The grade pupils assembled in the halls and sang carols. The High School pupils furnished a very interesting program.

I gratefully thank the School Committee, and you, Mr. Superintendent for the interest and hearty support which make my work so enjoyable, and to express my appreciation of the helpfulness of the teachers.

Respectfully submitted,
MARION E. KNIGHTLY.

REPORT OF SEWING TEACHER

To Mr. A. B. Webber,
Superintendent of Schools.

The course in sewing remains about the same with the exception of a few slight changes.

Sewing begins in the fifth grade and continues through the ninth grade for such of the ninth grade as elect it.

There are 208 pupils per week in sewing this year—divided

into thirteen classes: 3, 5th grade; 3, 6th grade; 3, 7th grade; 2, 8th grade; 1, 9th grade; 1, special high school students from 10th, 11th, and 12th grades. The smallest number in one class is 10 and the largest number is 23.

The pupils seem glad that the Junior Red Cross work is to begin again.

The first sewing the J. R. C. are to take up will be for the Children's Hospital, Boston. The Hospital supplies, the materials, patterns, etc. Also scrap-books are to be made.

I am very glad to be teaching again after a year's leave of absence and wish at this time to express my sincere thanks and gratitude to the School Committee for all their kindness shown me in regard to my leave of absence.

Respectfully submitted,

BESSIE H. ROSE, Sewing Teacher.

REPORT OF INDUSTRIAL ARTS

Mr. A. B. Webber,

Supt. of Schools, Stoneham, Mass.

DEAR SIR:—It gives me great pleasure to submit my first report of the Mechanical Drawing and Manual Training Departments.

MECHANICAL DRAWING

The course in Mechanical Drawing for the High School students has been completely revised from that of previous years.

In this course, the boys are instructed in the fundamental principles of the Mechanical Drawing such as, the proper use of boards, T squares, and triangles; practice in lettering, the making of working drawings, detailed, assembled, scaled and sectional of different parts of machines both from perspective drawings and models.

We have purchased a set of drawing instruments for each boy, so will be able to cover a much larger scope of work.

The classes have doubled that of the previous year, and the work is progressing very successfully.

MANUAL TRAINING

In beginning my work here it was necessary for me to revise this department.

The work-benches were taken up and re-arranged with a view to giving the best possible light and working conditions to a maximum number of pupils to a class. Each bench is equipped with a set of tools consisting of a rule-knife, gauge-hammer, square,

block, smooth and jack-planes, mallet, back-saw, rip-saw and brush. The boys are held responsible for their own benches and all broken tools.

A tool room has been built by the boys to take care of all extra tools and supplies. A checking system is used in this room the same as in most shops, and each pupil in his turn is held responsible for all tools.

The purpose of Manual Training is not to turn out carpenters, but to train the hand, mind and eye to work together, or in other words to develop the mental, moral and physical powers of children.

The work is progressing very favorably and the only drawback is the lack of heat in extremely cold weather.

There is a large need for more equipment, and I wish to recommend the addition of a Universal Woodworking Machine.

In closing this report I wish to thank the Superintendent of Schools, the School Board, and all who have co-operated to make the year's work a success.

Respectfully submitted,

FREDERICK A. CAMPBELL,
Director of Industrial Arts.

Stoneham, Mass., January 24, 1921.

REPORT OF ATTENDANCE OFFICER FOR YEAR 1920

To Mr. A. B. Webber,
Superintendent of Schools.

Number of calls	78
Truancy	17

Respectfully submitted,

OWEN KERRIGAN.

Accomplishments in Ten Years

The Commercial Course has been firmly established and our graduates are meeting with good success.

The woodworking department has been placed upon a better basis, the toolroom affording practice in shop methods of checking, and the instructor being upon full time with mechanical drawing under his care, is able to develop more systematic work.

Sewing has been extended in the High School and the equipment has allowed better methods to be followed out.

The establishing of the Ungraded Classes for backward pupils, which in the upper grades, has in five years clearly justified itself.

The use of Standard Tests and Measurements as a means of checking up our efficiency and grading upon mental efficiency.

Increased attendance by our teachers in courses for professional improvement.

The establishing of an active Teachers' Club and Parent-Teacher Association.

Recommendations

The establishing of domestic science work in Grades VIII and the High School.

A physical education program for all grades with a suitable director and provision for indoor activities; this work to continue throughout the year.

The establishing of a kindergarten for children from four and a half to six years.

In conclusion I wish to express to the parents and teachers my appreciation of their support, and to thank the School Committee for their support and assistance in meeting the critical conditions of the past year.

Respectfully submitted,

ARTHUR B. WEBBER.

Jan. 20, 1921.

STATISTICS FOR THE YEAR ENDING JUNE 25, 1920

Number of public day schools			26
Number of persons in town Sept. 1, 1920:			
	Boys	Girls	Total
Between 5 and 7 years of age	185	153	338
Between 7 and 14 years of age	421	370	791
Between 14 and 16 years of age	137	119	256

Report of Trustees of Public Library

To the Citizens of Stoneham:

The annual report of the Trustees of the Public Library is herewith presented.

The increased appropriation for library purposes a year ago has partially remedied the undesirable conditions then existing. The result has been that large additions have been made to the number of books and better facilities for their care.

Our library is fortunate in its librarian. The patrons can testify to Mr. Buck's intelligent, resourceful and courteous service. The duties of a librarian are so numerous and so varied that they can not receive needed attention during library hours. Mr. Buck has given unlimited time and thought to these duties and to many other things not usually included in the work of a librarian. He has also been untiring in his efforts to interest the community in the privileges of the library. His generous gifts have enriched the library unknown to the public.

Miss Mildred Howell, who had been a faithful helper for about three years, has been made Assistant Librarian. The competent High School helpers at present are Miss Isabel Bronk, Miss Pauline Foss and Miss Audrey Parker.

The comfort of visitors to the library depends largely on the janitor's care of the building. In this respect, we have always been highly favored. Our efficient janitor since Feb. 1, 1918, Mr. William Haymand resigned his work in May last, and Mr. Owen Kerrigan has been appointed in his place.

A boulder bearing a bronze tablet inscribed with the names of the seventeen young men of Stoneham who gave their lives in the World War has been placed in position on the library grounds. This was furnished by the unexpended balance in the hands of the Stoneham Welcome Home Committee after the expenses of the celebration June 17, 1919 had been met. This modest memorial was unveiled with appropriate ceremonies on Sunday, June 20, 1920 in the presence of a large gathering of citizens.

No special repairs have been made to the library building the past year. A glance at the ceilings show their urgent need of

whitening. The smoke and dust of nearly seventeen years have made the original white almost invisible.

The Trustees express their appreciation of an anonymous gift of twenty-five dollars for the purchase of books.

A record of the activities of the library the past year will be found in the following report of the Librarian to which your careful attention is called.

For the coming year, the Trustees recommend an appropriation of thirty-six hundred dollars ($3,600) for library maintenance and six hundred dollars ($600) for the purchase of books.

Respectfully submitted,
BENJAMIN J. HINDS,
GEORGE A. HINCHCLIFFE,
CHARLES H. CHASE,
CORA E. DIKE,
SARAH A. LYNDE,
GEORGE A. PACKARD,
Trustees of Public Library.

To the Trustees of the Stoneham Public Library:

The acquisition of over a thousand books and of much needed equipment during the year has been gratifying. While the total growth of circulation has been small, it has kept pace with the increased supply of books, which became much larger toward the close of the year. Although the circulation of fiction has been nearly stationary, that of non-fiction reveals a notable quickening, reaching in such classes as biography, religion and philosophy figures nearly double those of the preceding year. The issue of books pertaining to science, the fine arts, and the useful arts shows but slight change and remains unduly small. These departments in particular need to be strengthened. While novels of a recreational character have not been excluded, many serious works of fiction have been added. It is often forgotten that the best novels possess real educational value. The total circulation still remains only slightly above three fourths of the average of similar communities in the state.

The functions of the modern library are increasingly comprehensive. In a town of this character the library should in a measure supply the lack of an art museum. Large pictures if suitable, are particularly desired; it is hoped that these may be acquired as gifts from public spirited citizens. Moreover the walls and ceilings, which have never been redecorated in the seventeen years of the building's existence, are in deplorable condition.

While the need of books is still great, their cost has mounted during the year. To offset in part the very fine prices of works of non-fiction, it is hoped to establish an exchange system with some nearby community, preferably Reading. The children's room has become overcrowded. The most practicable remedy is to introduce the system of school deposits, which has proved very successful in many other communities. But this would necessitate a marked increase in the supply of children's books. It is to be remembered that for many years the annual expenditure for books was but one half the average of eleven other communities of similar size and character.

Through the generosity of the Stoneham Woman's Club Miss Mary Bullard of Boston conducted an excellent series of story hours, with the average very large attendance of ninety children. On five evenings late in the winter the librarian read aloud selections from modern poetry to a small group. The appeal for funds to aid the American Library Association met with a disappointing response. An exhibit of books during Children's Bookweek was kindly sent to us by the DeWolfe and Fiske Co. and the librarian addressed the Parent-Teacher Association on the subject of children's reading. A collection of Greek and Italian books was lent by the State Library Commission. Although statistics are lacking, there is evidence that men are making a somewhat larger use of the library.

The librarian expresses his appreciation of the spirit and services of Miss Mildred Howell, the assistant librarian and of the assistants, Miss Pauline Foss, Miss Audrey Parker and Miss Isabel Bronk.

The statistics are as follows:

ACCESSIONS

ALBERT F. BUCK, Librarian.

Report of Overseers of Poor

To the Citizens of Stoneham:

We beg to submit the following report for the year ending December 31, 1920:

The work of the Poor Department is very clearly defined by law and the expenditures are governed to a large extent by demands over which we have no control. It has been our aim and duty to immediately aid all needy cases always remembering that the best interest of our town must be protected without doing injustice to the deserving poor whom we are carefully bound to assist.

At the regular meeting held March 1st, after being duly authorized, the board organized as follows: Sidney A. Hill, chairman; Walter C. Bancroft, Sec'y and clerk; John G. Beede, Supervisor of Farms; James H. White, Warden; Ella E. White, Matron; Geo. W. Nickerson, M. D., Town Physician.

Two changes have occurred on the Board since that date by the resignation of Mr. Bancroft and Mr. Beede whose positions were legally filled at a joint meeting of the Selectmen and Overseers of Poor by electing Frank J. Howell and Wilder C. Moulton.

The management at the Farm has been very satisfactory. The inmates are comfortable, contented and in as good health as could be expected, when you consider their advanced age. Number cared for, 15; average age, 72 9-12. There has been two deaths during the year. The hay crop was exceptionally large; other crops fair. The expense has somewhat increased owing to the high price of coal and other supplies, but by rigid economy and with added income from boarders the Farm has made a very favorable showing.

Improvements which might have been considered under favorable conditions lay over, only minor repairs, which were necessary, have been made.

TOWN FARM INVENTORY—as of January 1, 1921

REAL ESTATE

Main House	$8,000.00	
Barn	5,000.00	
Out Buildings	525.00

1 Ea. Hay Tedder and Rake	20.00	
3 Plows	15.00	
Cultivators	10.00	
Harrows	15.00	
Seed Sowers	7.50	
Sprayers	6.00	
Sundry Small Tools	40.00	348.50
Grand total		$22,412.27

The receipts have been as follows: Milk, $1,800.95; Live Stock, $563.00; Sundries, $642.48; making a total of $3,006.43.

Outside Relief

We are pleased to note that although unprecedented conditions have existed for the last year the calls for outside aid have not materially increased, which speaks in high terms for the fine work performed by the benevolent orders connected with our several churches, fraternal societies, woman's clubs, Red Cross and many of our citizens, who have so nobly assisted the department which we can assure you has been fully appreciated by the Board.

For the financial report we refer to report of Town Accountant.

Respectfully submitted,
SIDNEY A. HILL,
FRANK J. HOWELL,
WILDER C. MOULTON,
Overseers of Poor.

Report of Tree Warden

To the Citizens of Stoneham:

I hereby submit my report as Tree Warden for the year ending Dec. 31, 1920:

This report is a brief summary of the work performed in the past year and recommendations for the future. At the last annual Town Meeting the sum of $200 was appropriated for the care of shade trees and $300 for new shade trees. There was also available $100 accrued interest on the Stockwell Fund.

Care of Shade Trees

Our public shade trees compare favorably with those of other communities and it should be the earnest desire of every citizen that they receive the care and attention necessary for their preservation. Considerable work has been done during the past year to improve their conditions, pruning, bolting, filling cavities with cement, removing deadwood, etc., has benefited and increased their longevity. The removal of dead branches from the larger trees is a matter of considerable importance for accidents frequently occur during severe storms or when the trees are heavily laden with ice or snow.

Twenty-two dead trees were removed from the street during the year; five of these were killed by gas from a leak in the main in front of 38 Pleasant street. The Malden and Melrose Gaslight Co. made reparation by paying to the Town the sum of $100.

The young trees planted in recent years require considerable attention. In the month of May all these were pruned, dug around and treated with an application of special tree fertilizer. Their rapid growth shows conclusively that shade trees can be grown successfully in localities that seem unsuited for that purpose if proper methods are used in planting and intelligent treatment given them until they become established.

New Shade Trees

Sixty Norway maples were purchased from the Blue Hill Nurseries, Braintree and two Schwedleri maples from the Breck-Robinson Nurseries, Lexington. These trees were planted in suitable locations and protected with posts and wire guards. All but two are living.

The planting of shade trees along our highways is an improvement worthy the support of all public spirited citizens. The older shade trees are gradually disappearing and new ones must be planted if we are to keep pace with other cities and towns. A community without shade trees is a community to be shunned by all mankind. Even the lower animals seek the shaded forest glen and the birds of the air build their nests and rear their young 'mid the leafy branches where they are protected from the scorching rays of the summer sun. Thus pleads your Tree Warden for your support in his endeavors to make our Town attractive to the home-seeker as well as a delight to its people.

There are many localities where shade trees should be planted and the Tree Warden recommends that $300 be appropriated for this purpose.

An appropriation of $300 will be needed for the care of shade trees for the ensuing year.

GEORGE M. JEFTS, Tree Warden.

Report of Park Commissioners

To the Citizens of Stoneham:

The sum of $200 was available for the purpose of improvement and care of the Pomeworth Street Playground for the year ending Dec. 31, 1920.

In the Spring the entire baseball field was gone over and all stones that showed above the surface were removed. Fifteen loads of sand and loam were screened and used to fill the holes and grade the low places along the baselines. A tandem steam roller was borrowed from the Town of Wakefield and the entire playing field rolled for two days greatly improving its condition.

A truck load of clay was purchased of Mr. Fred Stocker, East Saugus, and used to construct a pitching mound. The grass was kept cut throughout the season and the grounds kept free from rubbish. This is only the beginning of what ought to be done in the way of improvements. The backstop is practically worthless and should be rebuilt. The seats need repairing and the Town water should be piped to the grounds for drinking purposes. Some shade trees should be planted each year.

We have several smart baseball teams in town who use the grounds throughout the season and when visiting teams play here we don't want to be ashamed of the home grounds. Sufficient money should be provided for these improvements this year.

The Park Commissioners will ask that $400 be appropriated for this purpose.

Respectfully submitted,

GEORGE M. JEFTS,
JOHN WALSH,
HERBERT P. HOWE.

Unissued Water Bonds, No. 10 to 30 inclusive.

I would recommend that the town appropriate from its surplus revenue the sum of $30,000.00 in place of having the same enter the tax levy, leaving a balance of $19,561.08, which in my opinion will be sufficient to care for any deficit in taxes prior to the levy of 1920.

The accounts of the Treasurer have been examined and agree with the Accountant's books; cash balances have been examined and verified by bank statements.

All permanent loans and temporary loans cancelled during the year by the Treasurer have been examined and found as reported.

I hereby thank the Honorable Board of Selectmen and all other Town Officials who have co-operated and assisted in the work of this department.

Respectfully submitted,

GEORGE N. GREEN, Town Accountant.

55,000	5.59%
$180,000	

Of the above amount $125,000 has been paid, leaving a balance due in 1921 of $55,000.

Time loans due 1921:

Sewer	$ 6,000.00
Water	7,000.00
Restitution	1,000.00
Highways	2,000.00
Fire and Police Station	3,000.00
Refund	5,000.00
	$ 24,000.00

The following amounts will be required to meet our interest payments:

Sewer	2,520.00
Water	2,687.50
Restitution	300.00
Highway	150.00
Fire and Police Station	1,400.00
Refund	831.25
Anticipation interest estimate	8,000.00
Trust Fund Guaranty	198.21
	$ 16,086.96

I would recommend that the sum of $198.21 be appropriated to cover the guaranty of 5% on the Trust Funds for the year 1921.

Respectfully submitted,
SIMEON C. FULLER, Treasurer.
